4. **Interest** The Customer agrees to pay interest at the rate of 2% per month compounded monthly with an effective rate of (26.8% per annum) on all accounts that have not been paid by the Due Date ("Overdue Account") both before and after judgment.

7. **Set Off** the Customer agrees that "Fuelex" has the right, from time to time, as "Fuelex's" option to deduct and set-off any amount owing by "Fuelex" to the Customer against any amount owing by the Customer to "Fuelex", which thereby reduces the amount otherwise owing by "Fuelex" to the Customer.
8. **Costs and Expenses** The Customer agrees to promptly pay "Fuelex" on demand, and will indemnify and save "Fuelex" harmless from, the amount of all costs and expenses (including, but not limited to, all applicable HST and legal fees and disbursements on a solicitor and own client basis) reasonably incurred by "Fuelex" in connection with:
